INDIANA UTILITY  
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") makes the following entry in this Cause:

On February 6, 2003, pursuant to Indiana Code 8-1-2.3-6(2), Hendricks County Rural Electric Membership Corporation and Indianapolis Power & Light Company ("Joint Petitioners") filed their *Verified Joint Petition for Service Area Boundary Modifications* ("Joint Petition"). Indiana Code 8-1-2.3-6(2), in part, provides:

If notice of a verified request for change of boundary lines by mutual agreement under this subdivision is published in a newspaper of general circulation in every county in which the boundary lines are located and an affected electricity customer does not request a hearing within twenty (20) days of the last date of publication, the commission may approve the change without a hearing.

If Joint Petitioners cause said notice to be published and no affected electricity customer requests a hearing within the required time period, the Presiding Administrative Law Judge will review the Joint Petition for application of this statutory provision once the following have been filed with the Commission:

- 1.) a copy of the proof(s) of publication in a newspaper(s) of general circulation of the notice of a verified request for change of boundary lines by mutual agreement; and
- 2.) evidence that no affected electricity customer has communicated to Joint Petitioners a request for a hearing within twenty (20) days of the last date of publication of said notice.

**IT IS SO ORDERED.**
